Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. After reviewing our 2017 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Embedding an effective research-based approach to the teaching of reading
- Using student data more effectively to inform planning, teaching and intervention
- Building staff capacity through various professional development programs
